

Oh Canada! Quotes from the 2010 Olympic Games.

1. Canada. A country where a minus-30 degree day is just another sign of global warming.
2. Canadian receiving a gold medal. "Oh thank you so much, I expect I can get it bronzed."
3. American journalist. "I wrote in my column yesterday that if anything, Canadians were being too polite. Today I got e-mails from several Canadians apologizing for that".
