

Geological curiosities of Gabriola's shoreline.

Natural History Tour with more-than-you-want-to-know Nick Doe

Start & finish: Gabriola Museum  
3–5 pm, Sunday, August 20, 2017

Tickets: North Road Sports, \$25

**Visiting:**

Cemetery Beach — Gabriola's oldest rocks, giant clam fossils

Bells' Landing — volcanic stuff from when Vancouver Island crashed into the mainland, brought by ice from across the strait

Berry Point — concretions, honeycombs, and tafoni, Gabriola's youngest rocks.
