

RDN/NTBC Plan to Decommission the Weir

May 2025

RDN Regional District of Nanaimo
NTBC Nature Trust of British Columbia
NHC Northwest Hydraulic Consultants Ltd.
EDI Environmental Dynamics Inc.

Links to two files.

[File: 6122](#) The Plan written by the NHC consultants for the RDN.

[File: 6117](#) (this document) A version of the proposed Decommissioning Plan constructed from a selection of files issued by the RDN to potential bidders. This selection was made for public information in lieu, at the time, of a revised RDN Master Plan.

This file only links to sub-files describing the fieldwork that the RDN wants contractors to undertake. Other administrative RDN files and associated bidding information must be consulted for completeness. Together, these sub-files are incomplete as a bidding document.

File: 6117 (this document) provides links to the following four sub-files:

- [File: 6118](#) Technical Specifications (NHC for the RDN)
- [File: 6119](#) Drawings (NHC for the RDN)
- [File: 6120](#) Environmental Management Plan (EDI for NHC for the RDN)
- [File: 6121](#) Weir Pond Restoration Plan (EDI for NHC for the RDN).
